ORGANISATIONAL SKILLS

- Student council

As a member of the student council in my school for three years I helped my school organize many bake sales where we raised money for charities and school events for halloween, christmas and many other special days.

- Debate

During my middle and high school years, I took part in many debate competitions where I improved my public speaking and critical thinking skills. I competed in various tournaments, discussing different topics and learning how to build strong arguments. Through debate, I became more confident in expressing my ideas and responding to opposing views, which helped me in both academics and leadership roles.

HOBBIES AND INTERESTS

- Sports

I practiced Taekwondo for several years, which helped me develop discipline, perseverance, and physical strength. Through training and competitions, I improved my technique and learned the importance of dedication and resilience. I am also passionate about football and have played both casually and in school teams, gaining experience in teamwork, strategy, and leadership on the field. Additionally, I am committed to fitness and regularly go to the gym, focusing on strength training and overall physical well-being.

- Content Creation

I have a passion for creating YouTube videos, mainly about travel and special projects. My interest in cinematography influences how I capture and edit my footage, focusing on framing, lighting, and storytelling. I enjoy improving my skills in video production to make my content more engaging and visually appealing.
